Subject: Very Limited Sampling Schedule for Week of 02/13/12

Afternoon Stephen and John -

We will be scheduling sampling only through Tuesday February 14th and will resume sampling on the afternoon of March 5th. We have residents that we have not been able to either contact or schedule at this point due to a variety of reasons so we will be suspending sampling after the 14th of February until March 5th.

I have attached the limited schedule that I have for Monday February 13th, and Kelley Chase will be updating the schedule by NLT the end of business on February 8th.

Thanks - please call/email with questions - Ann
